

## FREE with the purchase of any Device Package - SCIO, Indigo, or Educator. \$300+ Value. Shipping Prepaid

Maximize your effort when learning the device software program with The Quantum Academies's online courses with a Tablet that allows you to view the course material and videos while following along with the Device software program on your laptop at the same time. Seeing and doing together improves the effectiveness of your learning experience.

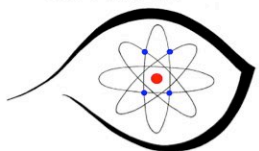

**Multi-Tasking** Evolved Maximize your time and productivity with the exciting Split Screen View feature, allowing you to work on two apps at the same time.

**Expandable Memory** Expand your Galaxy Tab E's capacity and take your favourite films, music and books with you wherever you go. With compatibility for up to 128GB of microSD card storage, turn your tablet into a mobile working / entertainment centre.

**Multimedia** Watch movies, check email, shop online and chat with friends on a single screen. Enter a Split Screen mode to multi-task with ease on a spacious 9.6" display.
